Post-doc Research Fellowship

Dame Sheila Sherlock EASL Fellowship Programme

Open to all registered EASL members, aiming to enhance the mobility of investigators within different European institutions and actively promote scientific exchange among research units in Hepatology.

Up to three Post-Doc Research Fellowships of 40,000 € are awarded each year. Each fellowship is granted for a period of 1 year.

**Application for the Post-doc Research Fellowship is open
from September 30 - November 30**

**Submit your
Application**

Application:

Application for the Post-Doc Research Fellowship is open from [September 30 - November 30](#)

Applications are reviewed by the EASL Scientific Committee Reviewers (2 external experts nominated by the EASL Scientific Committee and 2-3 members of the EASL Scientific Committee)

Applicants are notified by the end of February

Successful applicants are requested to attend the International Liver Congress™ during which awardees are announced

Fellowship should begin at the latest by the end of the year of the awarded grant

Requests for renewal, for an additional year, may be made no later than 2 months before the termination of the fellowship, pending a progress report accompanied by a letter from the tutor detailing the evolution of the project. The EASL Scientific Committee may renew the fellowship further to the acceptance of the report
